

**FOR IMMEDIATE RELEASE**

**PAM TRUITT TO RECEIVE BOUNDARY CROSSER LEADERSHIP AWARD**

**SARASOTA, FLORIDA ...** SCOPE is pleased to announce Pamela G. Truitt as the recipient of the **2010 Boundary Crosser Leadership Award**, to be awarded at **SCOPE's Annual Celebration** on Thursday, June 3 at 5:30pm at The Chelsea Center in Sarasota.

Pam Truitt is the President and founder of Truitt Consulting and is a member of the American Institute of Certified Planners (AICP). Her civic and community contributions include the sectors of business, education, government, the environment, health care and leadership development. Boundary Crossers are leaders who step outside of their area of expertise or comfort to work across sectors in the community. Pam demonstrates her leadership as a collaborator within the broad range of organizations in which she takes part.

This is the sixth year SCOPE has recognized a local leader with the Boundary Crosser Leadership Award. The award began in 2005, honoring Syd Adler posthumously. Since then, the award has been given to Bob Richardson, C. J. Fishman, Isabel Norton and Dan Bailey. Each has reached past their familiar territory in order to help our community thrive.

Tim Dutton, SCOPE Executive Director, states, "The significance of the Boundary Crosser Award is that it takes into account the inter-connectedness and integrated nature of transforming community."

Celebration sponsors include exclusive magazine media sponsor SRQ Media Group. This event is free and open to the public. RSVP to SCOPE at (941) 365-8751.

SCOPE is a nonprofit organization that connects and inspires citizens to create a better community. Learn more at [www.scopexcel.org](http://www.scopexcel.org).
